

Making a difference in children's lives by sending kids to camp.

Foundation by Numbers

2017 marked a few milestones for the Max and Marion Caldwell Foundation. We have now received over \$1,000,000 in total donations, and we received a gift from our 1,000th individual donor! These charts show how the foundation has grown.

In addition, **for the first time, a staff member donated their summer salary** to the foundation to support a campership! Since we began in 2002, we have provided almost 300 camperships and staff scholarships. We gave our first 2 camperships in 2004, and in 2017 we gave 39!

You, our generous donors, are responsible for the foundation's success. You helped send 39 children to 4 different camps last summer. We thank you, and most importantly, they thank you! Scattered through this newsletter are snippets of notes we received from 2017 campers and their families. We believe that summer camp can change a child's life, and we know you do too. THANK YOU!

2018 Alan Wadsworth Memorial Campership

Alan Wadsworth passed away in November 2017, aged 86. The foundation has designated a 2018 campership in his name, to honor his life and acknowledge his years' of commitment to Kennolyn.

Alan and Connie Wadsworth have been part of the Kennolyn family since 1966, when Uncle Max and Aunt Marion hired Alan to be the Hi-Camp Waterfront Director and SCUBA instructor. Over the years Alan and Connie took on lots of different roles, including running Family Camp with Ken and Candy Caldwell. Their children all attended Kennolyn, and their grandchildren attend today! Connie was the inaugural president of this foundation, and Kennolyn was an important part of their lives together for over 50 years.

We know that Alan would be thrilled to know that a child is attending Kennolyn this summer in his memory. And we thank Alan for his dedication to children, Kennolyn, and this foundation.

Many more campers like these got to go to camp because of YOU!

Bella and Ilya Fishman Endowment

Parents of Victoria Maroulis

2018 marks the first year for our **newest endowed campership!** The Bella and Ilya Fishman Campership has been awarded to Khando Gyaltzen. Khando is from Mountain View, California, and is going into 8th grade. She has friends who go to Kennolyn, and she's really excited to join them this year.

Victoria and Jim Maroulis have been sending their three children to Kennolyn for years. Two of them have gone all the way through the counselor-in-training program, and the third is still a camper. They asked us to set up the endowed campership in memory of Vicki's parents, Bella and Ilya Fishman, who were avid hikers and nature lovers. This endowment means that one child will get to attend Kennolyn's Resident Camp every summer, in perpetuity. It's truly a lasting gift, and the foundation is honored to receive the Maroulis' generous donation.

Bella & Ilya Fishman

Dear Caldwell Foundation,
Thank you for the generous scholarship that gives me the opportunity to be a CILT at Kennolyn in Summer 2018. I really enjoyed my last stay at Kennolyn and am very excited to be a CILT this year.

Greetings,
Aria

Chelsea Corey Endowment

You probably remember the groups of Chelsea Corey's friends who ran marathons in 2016 (Belfast) and 2017 (Edinburgh)

to raise money to send campers to Kennolyn in her memory. Kennolyn was an incredibly important part of Chelsea's life, and they wanted to give other children the opportunity to experience camp too.

Now the 'We Run for Chelsea' group has set a goal of raising enough money to create a permanent endowment in her name. To achieve that, they need to raise a total of \$50K, and they know that's ambitious. But if they succeed, a child will get to attend Kennolyn every summer, forever!

This year they're going hiking, all over the world... They expect 15-20 people in Scotland to hike up Ben Nevis, another 10 plan to hike Mt. Diablo in California, and a few others are hiking in New Zealand. As we go to press, about 300 donors have helped them raise almost \$20K! You can read more about their story on their GoFundMe page: <https://www.gofundme.com/thisisforchelsea>

We have no doubt that the Chelsea Corey Endowment isn't far away, and we applaud them!

Spotlight:

Hannah Geoghegan was born with a brain tumor. Her mom expressed deep gratitude for the scholarship that allowed Hannah to attend camp at Via West Campus. Because Via nurses can administer her gastrostomy tube feedings and medications throughout the day and night, Hannah joined her peers for swimming, outdoor dancing, pottery making, campfire circles and culinary arts classes.

Can you help?

Do you know a child who could benefit from a chance to go to camp? We're always on the lookout for kids who will thrive at camp, and wouldn't have the opportunity without a campership. You can check our website at www.caldwellfoundation.org for details on all the available camperships and how to apply, and you can also email us at foundation@caldwellfoundation.org. We want to keep expanding the number of children and families impacted by campership opportunities, because we know the impact a summer at camp can have on a child.

My favorite parts of Kennolyn are the counselors and the friendships. I also love the classes...I love evening activities and lowering the flag. All of these things are what makes camp a special place for me!

I was so happy that I was given the opportunity to come to Kennolyn. I truly treasure the fact that you have given many children (including me) the chance to go to such a wonderful camp.

Sincerely, Maple
