GAC Fire Fund

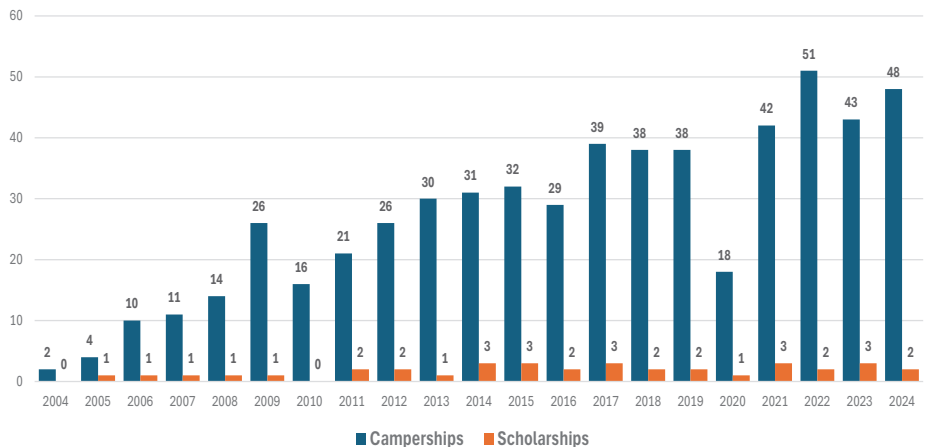

The Southern California wildfires that took place in January of this year had a devastating impact on thousands, including 36 Gold Arrow Camp families who lost their homes. In an effort to aid these families and provide some stability and familiarity for these children, Gold Arrow, along with MMCF, has set up the GAC Fire Fund. Money raised through this fund will be provided as tuition assistance to these Gold Arrow families who have suffered such devastating losses. At this time the fund has raised over \$15,000, an amount that will fortunately begin to help these campers achieve a small sense of normalcy this summer.

Growth in Camperships

Last year marked 20 years that MMCF has been awarding camperships! From our first summer of 2004 when we sent two kids to camp, fast forward to the summer of 2024 where we were able to award 48 camperships for a grand total of 569 camperships! This increase, funded through your donations, has enabled us to impact so many more children through the incredibly rewarding experience of summer camp. Our steady growth in donations and endowed funds along with our extremely low overhead costs have allowed us to increase the number of camperships we award each year. MMCF looks forward to continued growth and expansion in camperships in the coming years.

CASA & Safe Families

Last summer, MMCF funded two Kennolyn Day Camp camperships for CASA (Court Appointed Special Advocates) - for youth who have experienced abuse or neglect. This summer we will again partner with CASA as well as Safe Families (an organization for vulnerable children to keep them safe and together with their families).

Our new website!

Our new website has received a thorough makeover and is chock full of information on our history, partner camps, past newsletters and of course, the campership and scholarship applications: www.caldwellfoundation.org

“We are so grateful our boys were selected for camperships. They tried new activities, made great friends and came home with a gained perspective on their own lives - **what’s important and a sense of appreciation for life at home.**”
 -Hannah & Zach Sloven

My kids came home with so many stories, new games to play, songs to sing, dances to do, **and very full grateful hearts.** I received a little break from the full time single working mom norm, and was able to completely reset. Thank you for your generosity and kindness!!”
 -Lauren Jackson
